

Hi All,

One of the key pieces of data identified from this year's Club Health Check is that a high percentage of clubs that were not aware of the NRL Member Protection Policy or its provisions to pertaining inappropriate behaviour.

Below is a link to the current NRL Member Protection Policy, this link can also be found on the QRL website under documents and policies.

<https://www.qrl.com.au/siteassets/documents-and-policies/2017/nrl-member-protection-policy---2015.pdf>

Currently this policy is under review in order to align to the recommendations of the recent Royal Commission into Institutional Responses to Child Sexual Abuse. In addition to this review the QRL through our Digital Team is producing an educational video, also in response to these recommendations and will be shown at next year's QRL Admin Conference.

If you have any questions relating to matters covered in this policy, please contact the SEQ Region Manager.

***\*Please note our office will be closed from December 14th 2018 and will open in the new year January 14th 2019. Rugby League Gold Coast wish you a Merry Christmas and a Happy New Year!***

Kind Regards,

**Dion Haddad**
